Certificate of Compliance
California Proposition 65

Proposition 65, officially known as the California Safe Drinking Water and Toxic Enforcement Act of 1986, aims to protect California citizens from significant exposure to chemicals known to the state of California to cause cancer, birth defects, or reproductive harm. California Proposition 65 obligates businesses operating in California to provide clear and reasonable warnings before knowingly and intentionally exposing Californians to chemicals that are listed in Proposition 65 List. http://oehha.ca.gov/proposition-65/proposition-65-list

This Certificate of Compliance certifies that to the best of our current knowledge under normal usage, Dataforth products comply with California Proposition 65 (The Safe Drinking Water and Toxic Enforcement Act, 1986). Certain Dataforth products may contain one or more chemicals on the Prop 65 List. During normal product use, these chemicals are not intended to be exposed to users, nor are they intended, or expected, to be released or discharged to drinking water sources. Hence, Dataforth products are not required to include warnings related to Prop 65.

If Dataforth determines that its products carry a possibility of exposure to Prop 65 chemicals beyond Safe Harbor limits, or risk of discharge or release to drinking water sources, clear and reasonable warnings will be provided.
